Continuation of Substance of Interview including description of the general nature of what was discussed: Authorization for this examiner's amendment was given in a telephone interview with Attorney Jeanette S. Harms. Attorney Harms agreed to cancel claim 48 because of the ambiguity created by the recitation "cleaning beam and metrology operation share a common optical path." Upon the examiner's indication of the allowability of the remaining claims, Attorney Harms opted to cancel claim 48 reserving the right to file a continuation if the applicant decided to do so. Claim 48 has been cancelled.
